

TO: The Member-Owners of Homeport FCU

On behalf of the Board of Directors, management and staff of Homeport FCU, we wish to extend our deepest consideration to the members, families, friends and all of the state of Texas. Our existence is a miracle in itself. We have survived one the most devastating hurricanes in the United States of America.

While we are just in the beginning stages of uncovering the financial burdens of cost in restoration of our great state we will take action moving forward and persevere.

We would like to ask our members if they need financial assistance, or if we can perhaps assist you in some relief of your financial burdens, to call us. Our goal is to restore our credit union with its members as a whole.

Do not hesitate to call us immediately if assistance is needed. We are here to help you in any way possible and we will prevail.

We are your extended family. Please reach out to us because you are our shareholders.

Respectfully,

Homeport FCU
